Dear Mr. Marshall:

We are pleased to notify you that at the regular Council Meeting held April 8, 1975, The City of Elgin, Oregon has awarded the Contract for "Water System Improvement Project, Phase 2, Schedule A" to Marshall Associated Contractors, Inc.

In order to stay within existing financing, the City of Elgin must delete work from Schedule A in the amount of $81,345.85. The work to be deleted is described in Contract Change Order No. 1. The City is working on obtaining additional financing and should they do so before construction is complete, they will add the deleted work back to the Contract.

We look forward to working with you on this project.

Very truly yours,
